

Directions to Julifest

From Seattle via Rt 530:

Head north on Interstate 5 about 40 miles to Route 530 (exit also says Arlington). Turn right at the end of the exit. Follow signs for Route 530 (there's a left turn at the only stop sign in Darrington - follow the speed limit in Darrington!) for about 50 miles till Route 530 ends at the intersection with Route 20. Turn right onto Route 20 for about 9 miles. In Marblemount you will see a Shell and the Post Office on the right - go straight across the bridge instead of following Route 20 to the left. In 0.3 mile turn left onto the dirt road Foxglove Lane. Stay under 15 MPH to keep the dust down. At 1/2 mi. you'll see Rivendell Lane. Turn left down the hill and look for cleared parking places. Ours is the second driveway on the left. The house number 60626 is at the head of the driveway. Our phone number is (360) 873-4567.

From Bellingham and points North:

Head south on Interstate 5 to the Cook Road exit #232. Turn East (left) at the end of the ramp. Go about 4 miles; at the red light in Sedro Woolley, turn left onto Hwy 20, following it 45 miles. The speed limit in Concrete is 35 MPH – don't even think about going 36 MPH! Those shiny new squad cars come from tourists.

When you reach Marblemount, go straight across the bridge at the point where Route 20 makes a sharp left. After you cross the bridge go another 0.3 mile and turn left onto Foxglove Lane (a dirt road). Stay under 15 MPH to keep the dust down. At 1/2 mi. you'll see Rivendell Lane. Turn left down the hill and look for cleared parking places. Ours is the second driveway on the left. The house number 60626 is at the head of the driveway. Our phone number is (360) 873-4567.
